

The Road to Design Success

Test Drive CST STUDIO SUITE

Check out CST STUDIO SUITE yourself, and learn how easy and intuitive it is to setup and run electromagnetic simulations.

When: Friday, June 22, 2018, 9:00 – 16:00

Where: TUHH, Lehrstuhl für Theoretische Elektrotechnik TET,
Prof. Christian Schuster, Harburger Schloss Str. 20

We offer two test drives during this workshop:

- Conducted Emissions analysis of a DC/DC converter in the morning session
- Dual patch antenna analysis with feeding network in the afternoon session
- 08:30 Coffee & Registration
- 08:55 Welcome & Introduction to EMC workshop
- 09:00 Simulating Conducted Emissions from a DC/DC Converter
- 12:00 Lunch Break
- 12:55 Introduction to MW&RF workshop
- 13:00 Simulation a Dual Patch Antenna with Feeding Network
- 16:00 Q&A
- 16:30 Closing

You can register for single or both sessions. Please note that the number of attendees is limited. We grant access according to first come, first served.
